To Whom It May Concern:

Semow Lawnracers Inc. and Allenville Park, together, is a non-profit organization. We are a small organization in a small town trying to offer "free, family oriented entertainment". We host several races at our track in Allenville, MO every summer. We have grown tremendously this year. Our spectators have grown from approximately 100 to sometimes around 300.

With growth along comes more expense. We are asking for donations of items for our auction. It will be held at Allenville Park Picnic on June 30, 2007. Monetary donations are also accepted. The money raised from the auction will be applied toward the maintenance of our racing facility and the park. Any offering is greatly appreciated.

Thank You,

SEMOW Lawn Racers, Inc.
